

**REMARKS/ARGUMENTS**

In the Office Action dated July 5, the Examiner has objected to Claims 10, 11, 34, and 35 based upon certain informalities. By this paper, the term “or adulteration” has been removed as kindly suggested, and Claims 34, and 35 have been cancelled without prejudice. Further, Claims 10-13 have been objected to as being dependent upon a rejected base claim, but are noted as being allowable if rewritten in independent form including all the limitations of the base claim and any intervening claims. The allowable subject matter of Claim 10 (herein cancelled without prejudice) has been included in independent Claim 1 as now amended, which has also been amended to include all of the limitations of the intervening Claims 5, 6, 7, and 9 (also now cancelled without prejudice). Additionally, Claims 24-56 have now been cancelled without prejudice. Accordingly, independent Claim 1 as now amended, and Claim 2-4, 8, and 11-23 dependent directly or indirectly thereon, are the claims remaining in this Application, and it is respectfully submitted that such claims are now allowable.

Applicant is not aware of any additional patents, publications, or other information not previously submitted to the Patent and Trademark Office which would be required under 37 C.F.R. 1.99.

This Application is now believed to be in condition for favorable reconsideration and early allowance, and such actions are respectfully requested.

**The Commissioner is hereby authorized to charge any fees in connection with this communication to Eastman Kodak Company, Deposit Account No. 05-0225.**

*A duplicate copy of this request is enclosed.*

Respectfully submitted,
